

FOOD DRIVE

To help Manna Ministries & Shelby Emergency Assistance

Join us in helping our community by donating non-perishable food items between October 19th and December 11th.

Items can be dropped off in front in the donation box located at our office at 213 1st Street North.

Our local food pantries have been hard hit in 2020 and our employees want to partner with the community to help them restock. Anything donated will be very much appreciated!
